

ABSTRACTS REQUIREMENTS

The abstracts shall include one page of printed text in English and one page of printed text in Russian:

- 20 mm margins on A4 (210x297) paper size
- Arial MS font 15 pt
- Single line spacing

The abstracts should summarize the content of the paper you would like to submit. Please, also make sure to follow requirements below.

The title of the paper should be typed on the first line in bold text and in all caps. The next line should contain only author(s)' names, author(s) surnames and affiliation (in brackets) all in bold italics. Use commas to separate author and co-author(s) names. Please, apply center alignment setting to both first and second lines.

Please, do not use tables and/or graphics in the abstract.

Software requirements

Only abstracts in Microsoft Word document format will be accepted.
